

Spenco RX®

BALL-OF-FOOT

Ball-of-Foot Cushions

Cat. No. 42-416

Contoured metatarsal arch support.

Target Consumer:

Consumers suffering from metatarsal arch tenderness or pain.

Consumers seeking all day forefoot comfort and cushioning.

Recommended For:

Treatment of metatarsalgia or Morton's Neuroma. Helps reduce pressure to relieve pain in the forefoot area.

Best For Use In:

Dress, casual and athletic shoes (or boots).

Components*:

PU Foam, SpenCore® Material, Fabric, Thickness: 5.80mm (1/4in)

Instructions:

Place in shoes, green side up just behind the ball of foot. Trim with scissors if necessary.

Care:

Hand wash in warm water. Air dry.

Features & Benefits:

- 1 **4-way Stretch Fabric with Silpure Antimicrobial** helps prevent blisters while controlling odor.
- 2 **Metatarsal Arch Cookie** specially shaped cushion to provide comfort and support where the metatarsal arch needs it most.
- 3 **SpenCore® Material** Exclusive cushioning layer absorbs shock and impact to provide maximum comfort.

One-Year Unconditional Guarantee
